PANEL DISCUSSION	Gold, Silver, Copper or Discovery: Where Are the Biggest Opportunities in Mining?	
Four leading experts share their outlook on the sectors they believe offer the greatest investment potential over the coming year.		
	PANELISTS	DISCUSSION TOPICS
	JEFF CLARK The macro outlook for gold and the precious metals bull market.	▪ Which commodity offers the greatest upside over the next 2–3 years?
	PETER KRAUTH Why silver could outperform gold.	▪ Are we still in the early stages of the bull market?
	JEFF VALKS Portfolio positioning and market strategy.	▪ Developers vs. explorers vs. producers.
	SHARYN ALEXANDER The geological traits investors should look for in exploration companies.	▪ Jurisdiction versus grade—which matters more?
		▪ The biggest mistakes investors are making today.
		▪ One trend each panelist is watching closely.
		AUDIENCE CHOICE AWARD
		Which company are you most interested in following after today?
		The winning company will be announced live at the conclusion of the panel discussion.
5:10–6:30	COCKTAIL RECEPTION (OPEN BAR)
